DELIVERY OF SUPERFAST I

The Board of Directors of Attica Group wishes to announce the delivery of new-built Ro-Pax vessel Superfast I from Grimaldi Holding S.p.A, of Genoa, Italy which was built at Nuovi Cantieri Apuania, Italy. Superfast I is the first out of two vessels ordered, the second of which is expected to be delivered in the summer/autumn 2009.

Superfast I is expected to arrive at the Port of Patras on Friday, 10th October, 2008. The vessel will be deployed in the Patras-Igoumenitsa-Bari route.

The vessel built in October, 2008 has a speed of 24 knots and the capacity to carry 950 passengers, 170 freight units and 100 private vehicles.

The Board of Directors
