

In reply to the letter of the Capital Markets Commission of 9<sup>th</sup> July, 2007 with reference 2841 and the article referred to therein, which was already the subject of a forthcoming comment, Attica Holdings S.A. categorically denies, as far as it is concerned, the validity of that article and it also states that its shareholder, Mr. Pericles Panagopoulos, has not apprised it of any private business plans he may entertain, which are the subject of the said article.
