

ATTICA GROUP OFFERS HUMANITARIAN ASSISTANCE

to the refugees in the port of Piraeus and in the island of Samos

ATTICA GROUP, member of Marfin Investment Group (MIG), susceptible to the human drama that unfolds in our country as a result of the refugee crisis, stands by the needs of refugees and supports the efforts of the Greek State to address the great difficulties posed by the growing number of refugees stranded in our country.

To this end ATTICA delivered quantities of fresh milk, juice and cereal to the refugees who have found temporary shelter at the passenger stations of the port of Piraeus, and distributed light meals to the refugees of Samos. This move aims to care for basic needs of the refugees, but also to provide psychological support to these people, who after various hardships are in need of our warm and human sympathy.

ATTICA GROUP will continue providing assistance and trying to relieve the refugees with every opportunity, supporting the State in this difficult time and hoping for a swift solution to the issue.
